Following our last two disappointing home results when leads were thrown away in the last fifteen minutes it is amazing to hear the type of theories that people have come up with. Some people have been talking about lack of fitness. There is certainly no way that the lads can be accused of being unfit. In my opinion the situation has been caused more by a lack of confidence than anything else. This feeling often comes to teams who find themselves at the wrong end of the League table. Often the players sense the crowd getting apprehensive during matches and this atmosphere spreads rapidly to the team who then make silly mistakes, which frequently cost points.

This was particularly evident in our home match with Cardiff. After squandering a two goal lead in our previous game at Dean Court, against Lincoln, one could sense the lack of confidence in our match with Cardiff. At a time like this it needs everybody to work that bit harder. The players need to show a lot of character, this is certainly not a time for panic.

I feel certain that you, our loyal supporters, can give the lads the lift they need during our last few home games with plenty of vocal support. So let's hear you all tonight getting behind the team and helping them to a good result against Bolton.

# Boardroom Comment

This is the time of the year, just before the transfer deadline, when Clubs are counting the cost of the season. For some they are looking forward to Cup Championships or promotions; others, like ourselves, must look at what has gone wrong.

I think the principal lesson that we have learnt is that playing good football is not enough. It does not seem to matter at some Clubs how you achieve success as long as you get the points. This has been proved by the increase in support that these teams have had this season.

I believe you can still achieve success in the Third Division by playing attractive football, but you have to combine total commitment and aggression with everyone working for each other. I hope we will have benefitted from this year's mistakes and that next year will be another story.

Different it will be in many respects because from the income that we receive through the turnstiles there is no way the Club can survive in its present form.

I would hope that part-time football is still some way off most of the League Clubs but the number of full time professionals will

inevitably reduce and the emphasis will be on blending in our youth players. A player who has another job cannot give the same to a team as one who relies on the game for a living.

It is always difficult for a manager to decide if his youngsters are ready for the more physical side of League Football but it is a hard world and as in every walk of life the better ones will survive.

Although AFC have not yet managed to ascend to the Second Division, we have probably played the majority of League Clubs in the country in some competition or other. It also happens that some fall on bad times and we find ourselves playing these famous names in the lower reaches of the Third. For those of us who remember these Clubs in their heyday it is particularly sad.

In welcoming Bolton Wanderers tonight a lot of people will remember yester year but none more so than our own John Kirk who started his career with them back in the 1930s and who has only known two League Clubs – them and us.

# Captains Corner

Prior to the home game with Lincoln City I was introduced to young Paul Mitchell. Paul, a pupil of Henry Harbin School, has reached the last thirty in a selection procedure to choose sixteen youngsters to take part in the Bobby Robson soccer school. Obviously this is a tremendous achievement for the youngster who we all hope will snatch one of those coveted places.

It is doubly encouraging to see Paul doing so well. Firstly, with the state of the game as it is at the moment with more talk about the future than concentration on the present, it is good to see youngsters maintaining their enthusiasm and getting on with playing careers. Secondly, it is encouraging to see a Bournemouth boy do well. For many years the South has been dubbed as an apathetic area for soccer, so it is great to see young talent come out of the South Coast.

I hope that Paul's achievement will provide encouragement for all our young fans who enjoy the game and are looking to develop their own playing careers.

# Focus on Three

Like me, I am sure that many of you are becoming rather tired of the Bryan Robson saga. Patriotism compels most football fans to follow the fitness fortunes of the England Captain. However, with speedy remedies for recovery reversed by speedy tackles from opposition defenders, patience is running out fast. The most worrying thought which is prompted by the Robson incident though is the scale of injury in the game at the moment. Although the England Captain's problems have been followed closely by the media, there are countless players in the League whose injuries have not received so much attention. Here at Dean Court we have been plagued by numerous injuries throughout the season which have restricted team selection on several occasions. Whilst pitch and weather conditions are often used as excuses, Fate is blamed for many injuries. John Kirk tells me that players tend to come to more harm today than he has ever known. Footballers have turned out in all conditions for many years, efforts to make pitches playable in all weathers have, if anything, improved, and the hectic British soccer schedule has been hectic for some time. Can it really only be Fate then which has caused our injury problem?

Forty youngsters enjoyed a day out at Dean Court for the Cardiff game. This was part of Canon's Invitation Day Programme. The thirty nine boys and one girl from Porchester School and Kings Park School had an enjoyable afternoon, which included a quiz with the winner winning a calculator. AFC Bournemouth would like to thank local school teacher Terry Cordroy for helping us set up these programmes. Chairman Rodney Barton, Directors Ted Keep and Brian Tiler plus manager Harry Redknapp attended the supporters club committee dinner last week and would like to thank Dean Court supporters club for their support.

The AFC Juniors played Luton Town last week on their new artificial pitch. The youngsters were full of praise for the surface and thought it was just as good, if not better than grass. Ex-Cherries secretary Graham Mackrell, now secretary of Luton, arranged for the youngsters to stay on and watch the Luton/Everton cup tie – nice one Graham.

## BOLTON WANDERERS

This evening visitors carry on their shoulders the impressive history of a north west club which is keen to regain its former greatness. In his squad, manager **PHIL NEAL** has a useful combination of youth and experience which he hopes will pull the club up into the realms of success.

Between the sticks today will be **SIMON FARNWORTH** who was voted Player of the Season by the fans last term, in only his second full season in League football! In front of him the defence may well include **DEREK SCOTT**, a £20,000 signing from Burnley in the Summer of 1985. The versatile former England schoolboy international joined Bolton after 10 seasons with the Clarets. It was the third time Wanderers had tried to sign him. Also in defence will be **SAM ALLARDYCE** who is enjoying his second spell with the club. Signed from Huddersfield, Sam has had other experience at Sunderland, Millwall and Coventry. Another close-season signing **DAVE SUTTON** may feature as well. Also available are youngsters **JIMMY PHILLIPS** and **MARK CAME**.

The midfield will be generalised by former Scottish International **ASA HARTFORD** who joined Wanderers in the Summer of 1985, after his shock release by Norwich City, for whom he scored the winning goal in last season's Milk Cup Final against Sunderland. Clydebank-born Hartford started his career with West Brom and in spells

with Manchester City (twice), briefly with Nottingham Forest and two years with Everton, he was regarded as one of the most influential of British midfield players. With him will be one of the North West Young Players of last season **WARREN JOYCE**, former Carlisle player **GRAHAM BELL** and local lad **STEVE THOMPSON**.

Up Front the dangerman will undoubtedly be **DAVID CROSS**. Few men can boast as consistent a scoring record as the much-travelled striker who joined Wanderers in the Summer of 1985 after being released by First Division West Bromwich Albion. The North West is David's home territory although he has travelled the country serving up a feast of goals with Rochdale, Norwich City, Coventry, West Ham, Manchester City and Oldham during a league career of well over 500 games.

Also available in attack is **WAYNE ENTWHISTLE**, who joined Bolton in October after spells with Bury (twice), Sunderland, Leeds, Blackpool and Carlisle. **TONY CALDWELL**, the club's top scorer in successive seasons since being snapped up from a local non-league club in 1983 will also feature this evening. Whilst youngsters **SIMON RUDGE**, **ROGER WALKER** and **GEORGE OGHANI** will also be challenging for a first team place.

Mitchell*

With points needed on both sides this evening it would be no wild prediction to suggest that tonight's match will be fiercely fought. Bolton will be looking to complete the double over AFC after their 1-0 victory at Burnden Park back in November 1985. On that occasion, striker Steve Thompson netted a late goal to secure the points. Last season the Cherries thrashed Bolton 4-0 when they visited Dean Court with goals from Brignull, O'Driscoll, Rafferty and Ian Thompson. As you can see from the chart below though that match was uncharacteristically high scoring, in nine matches with Bolton, Bournemouth have only scored eleven goals. I am sure that the lads will be keen to improve their record against Bolton this evening.

A repeat of last season's score would not be unwelcome.

Bolton's home form recently has been excellent with a number of teams falling heavily at Burnden Park. Bolton's last victims were league leaders Reading. Away from home, however, Phil Neal's team have not enjoyed the same success. Defeats at such clubs as Swansea and Bury have kept Bolton in the lower half of the League table. The Burnden Park team will be anxious to rectify this situation tonight.

Although our last two home matches against Lincoln and Cardiff were disappointing they produced some more good performances in midfield. John Beck was once again selected as player of the match in the encounter with Lincoln whilst Sean O'Driscoll extends his lead on the top of the table by picking up the award for the Cardiff Match.

Tonight programme collector Peter Jackson reminds us of an encounter between Bolton and Bournemouth at Dean Court which had a different sense of urgency than will be expressed tonight. For back in February 1973 Bolton were top of the Third Division and the Cherries were second. Bolton, who were then managed by Jimmy Armfield went on to become Third Division Champions whilst AFC faded out of contention altogether, finishing the season in seventh position. It is interesting to see in manager John Bond's programme notes that John Kirk came in for particular praise after his reserve team sustained two victories which changed their fortunes in the Football Combination.

## Did you Know?

Bolton were founded in 1874. A famous club who have made 7 F.A. Cup Final appearances, Bolton played in the first F.A. Cup Final to be staged at Wembley in April 1923, the crowd was estimated to be over 125,000 but probably 200,000 had managed to break in. The kick off was delayed, the winners were Bolton beating West Ham United 2-0. The 1953 Cup Final though was probably the most exciting one ever, Bolton's opponents Blackpool were losing 3-1, but pulled back to win 4-3 with a goal in the last few seconds.

Nat Lofthouse played 611 League and Cup games for the club, starting his career in 1939, he also gained 33 England Caps.

The highest attendance at Bolton's Burnden Park was 69,912 for an F.A. Cup 5th round match in February 1933 against Manchester, also in the F.A. Cup they achieved their highest score a 13-0 win over Sheffield Wednesday in a 2nd round match in February 1890.

## Macbar S.W. Counties Report

Wednesday March 12th  
**BRISTOL ROVER 3 AFC BOURNEMOUTH 1**

**AFC BOURNEMOUTH:** *Smeulders, Bond, White, Lothian, Clark, Williams, Shaw, Shepherd, Bolson, Keane, Burt.* **SUBS:** *Redknapp M., Howard.*

Our first match in the Macbar South West Counties League in 1986 provided a disappointing result. Nevertheless, the performance of the Cherries side was encouraging. With several of the youth team paraded in the line-up due to injury problems, the side was noticeably younger and physically weaker than the Bristol side. However, the lads battled hard and put up a good performance. Lee Bolson, leading scorer for the Youth team, netted from the penalty spot in the 3-1 scoreline.

## On the Youth Scene

Last Saturday the lads travelled to Luton where they were beaten by three goals to nil in the South East Counties League Division Two. Despite the disappointing result the match will be a memorable one for the young Cherries who not only experienced playing on an artificial pitch, but also experienced playing in front of a large crowd who had gathered for the First Division game which followed. If goals for AFC were lacking at Kenilworth Road they certainly weren't when Fleet were entertained in the Hampshire Cup. Bournemouth won 14-0 with goals from Lee Bolson (6), Adrian Randall (4) Ashley Burt (2) and Tommy Keane (2). This win means that the Youth team have progressed into the Semi-Finals of the competition where they will meet either Cowes or Fareham. Before Fleet the Cherries had dismissed Waterlooville by Four goals to nil. Let's hope the lads continue with their winning ways.
